

# Awareness of Child Abuse and Neglect Core

Safeguarding children is everyone's responsibility. You can ensure you are trained adequately in safeguarding and child protection issues in just a few hours with this online training.

## Who is this course for?

This course is aimed at anyone who, through their work or volunteering, comes into contact with children.

## What will you learn?

This course contains all of the information in 'An Introduction to Safeguarding', and greatly expands on all of the included course topics in order to give those that work with children for extended timeframes the detailed information you need to safeguard the children in your care.
