

Basic Awareness of Child and Adult Sexual Exploitation

This course aims to give you an awareness of what sexual exploitation is and how to identify it whilst also describing the best practice of how to safeguard those who are at risk.

Who is this course for?

This course is aimed at all individuals and professionals who work with vulnerable children, young people and adults who are at risk of being sexually exploited.

What will you learn?

Completing this course will help you explain what sexual exploitation is, identify the vulnerability factors, recognise the signs and indicators of sexual exploitation, understand the importance of multi-agency working and the safeguarding frameworks in place to manage concerns of sexual exploitation.
