

Dementia Awareness

North Wales Safeguarding Childrens Board have teamed up with Virtual College to offer online training.

Who is this course for?

This course is aimed at individuals and carers who are required to offer effective support to sufferers of dementia in a sensitive and understanding manner. It also gives you an awareness of what dementia is and how to identify it whilst also describing best practice on how to care for someone with the condition.

What will you learn?

- Symptoms of dementia
- Reducing the risk
- Early diagnosis
- Living with dementia
- Impact of dementia
- Ways of communicating effectively and compassionately
- Signs of distress
