

North Wales Safeguarding Children's Board Harmful Sexual Behaviour Regional Workshop

The workshop is focused on ensuring participants develop a greater awareness of Harmful Sexual Behavior (HSB), one of the NWSCB Key Priorities.

The NWSCB is one of the early adopter sites in the UK of the NSPCC Harmful Sexual Behaviour Framework and the workshop will present an overview of the key findings from the completed NWSCB audit which utilised the NSPCC Framework.

It will also provide practitioners the opportunity to input into the proposed Regional Harmful Sexual Behaviour Action plan as we seek to develop practice in this area.

In addition, there will be presentations from Guest speakers around the latest practice developments in Harmful Sexual Behaviour and an overview of the current practice issues in North Wales.
