

# What we all need to know

## Child Sexual Abuse Prevention Education session for Third Sector Professionals who work with Children and Families across North Wales.

This FREE 3 hour session will give professionals an awareness of child sexual abuse prevention, including where the risks lie, it aims to help adults:

- recognise the signs of child sexual abuse in children
- recognise the warning signs an adult who has harmful intentions may display
- take preventative measures and report concerns before a disclosure is made
- respond effectively and appropriately when a disclosure is made, including reporting
  - develop and implement family safety plans.
