

NORTH WALES SAFEGUARDING ADULTS BOARD KEY MESSAGES

From meeting held on Wednesday 24th July 2019

- Annual partner agency reports received from all Statutory Board Members

- Key themes from the partner agency reports include:
 - Increased demand on all agencies. It was highlighted the increase of CID 16s in respect of Adult Safeguarding

 - Challenges around recruitment and retention in relation to safeguarding posts

 - To increase awareness around all agencies responsibilities around the Enquiries stage of the Adult at Risk Process

 - The implementation of the National Safeguarding Adults Procedures.

 - Good Practice identified around the development of Corporate Safeguarding within the Local Authorities

- Update provided from BCUHB in relation to the HASCAS report. Progress has been made but further work needs to be undertaken in respect of areas around safe recruitment.
