

Key Messages from the North Wales Safeguarding Board January 2019

County Lines Needs Assessment – Presentation given by Claire Thomas from North Wales Police:

- Board Members will take the information back to their organisations to ascertain how best to feed into this
- The NWSB Business Unit will discuss at a national level
- Will be raised/ discussed at adults board
- Take key messages to business development day
- CT to attend board periodically to update

The following policy was ratified by the NWSCB members:

- *Joint Protocol in Relation to Safeguarding Children & Young People affected by Adults viewing Indecent Images of Children* - This policy will be available on the NWSB website to view and download shortly.

NWSCB Business Plan/ Development Session:

The Business and Finance plan was considered and will be discussed in more detail at the NWSB Business Development Day on 28th January 2019.

National Protection Procedures:

- Chair of the NWSCB urged members of the board to review the current chapter and asked the group to liaise with their representatives involved in the feedback.
- The next Joint Adult & Children's P&P Group - Planning and Intervention stage of the National Safeguarding Procedures is scheduled for 4th February 2019.

CPR Group Update:

Ynys Mon MAPF:

- Presentation included in the NWSCB Meeting Pack. Key issues identified:

Good Practice

- √ Voice of the Child captured within Case Notes
- √ Direct Work with the Children and Mother
- √ Multi agency representation at key safeguarding meeting

Areas for improvement

- ❖ Lack of Pre-birth Assessment
- ❖ GP report for initial Case Conference

Conwy CPR:

- Chair and reviewers now identified.

Local Delivery Group Feedback to the Board

- Raised concern around the procedures.
- Feedback presented from Gwynedd Inspection.
- Would like to see Formal launch/ learning for frontline staff when policies and procedures have been ratified.
- Positive feedback received from the NSPCC/ NWSCB CSE Community of Practice Event

Independent Inquiry into Child Sexual Abuse (IICSA)

- The IICSA is still a live enquiry; Flintshire LA and North Wales Police have given evidence.
