

NORTH WALES SAFEGUARDING ADULTS BOARD KEY MESSAGES

**From meeting held on Thursday
16th January 2020**

- Board received an overview of the new Wales Safeguarding Procedures and the key themes and challenges for agencies to be aware of. Procedures are to be implemented from 6th April 2020. Board members agreed to formally adopt the procedures.
- Safeguarding Training for Commissioned Services - The joint Safeguarding Board's Workforce Training and Development Group have been working on a pilot training scheme that will allow providers to train in-house. Members agreed to nominate provider agencies to potentially participate.
- A National Safeguarding Conference – Working Together to Safeguard People is being hosted by Welsh Government on 6th February in Wrexham focusing on Adult at Risk. Various workshops are taking place facilitated by a range of agencies including the North Wales Safeguarding Adults Board.
- An update was received by Board regarding the ongoing progress of BCUHB's action plan developed following the HASCAS report into Tawelfan.
