

NORTH WALES SAFEGUARDING ADULTS BOARD KEY MESSAGES

From virtual meeting held on Thursday

14th May 2020

- Update received from all agencies regarding adult safeguarding activity, themes and practice issues during the past months, discussions also included Covid-19 related matters and updates from meetings held with other Safeguarding Board Chairs, Regional Business Managers and Welsh Government.
- Communications received from Welsh Government were discussed with regards to WG expectations of Safeguarding Boards regarding their statutory duties during the pandemic.
- The Wales Safeguarding Procedures implementation was going ahead as planned, though not expected to be fully compliant until September 2020. Still concern expressed around Section 5 of the procedures, Chair is in communication with the Project Board around how best to resolve this issue.
- Annual Partner Agency Reports are due to be received by 10th July 2020. WG have given extension for the publication of Boards Annual Report now due end September 2020.
