

NORTH WALES SAFEGUARDING ADULTS BOARD KEY MESSAGES

From virtual meeting held on Thursday

23rd July 2020

- Implementation of the Wales Safeguarding Procedures sections 1 to 4 from 1st September 2020, but identified that more work needs to be done around Part 5 – Safeguarding Allegations/ Concerns about Practitioners and Those in Position of Trust before this section is implemented.
- Partner Agency Reports received and discussed. Some of the common key issues were identified as:
 - Capturing the voice of the Adult during the safeguarding process/Advocacy/feedback on experiences.
 - Increase in the number of safeguarding reports.
 - Implementation of the Wales Safeguarding Procedures and challenges around training.
 - WCCIS – data input/collection.
 - Role of the Lead Practitioner.
 - DoLS and delays in the implementation of LPS.
- Good practice was also highlighted. These included:
 - Evidence of good multi-agency partnership working across the region.
 - Improved interface between safeguarding and self-neglect.
 - Increased awareness of Adult Safeguarding through training.
