

NORTH WALES SAFEGUARDING ADULTS BOARD KEY MESSAGES

**From virtual meeting held on Thursday
28th January 2021**

- NWSAB1/2108 Adult Practice Review report and action plan were presented to the Board. Members accepted the report and recommendations which will now be sent to Welsh Government and published on the NWSB website in due course.
- Updates from all agencies were received regarding the current situation with regards to Covid. Chair wished to highlight the dedication and enormous amount of work and effort that staff from **all** agencies, providers and third sector had put in during the pandemic to keep people safe. The Board acknowledged that though staff were still under pressure all agencies had continued to work together to provide support where needed.
- Board received updates in relation to National work packages around the Single Unified Safeguarding Review, the work of the Older People's Commissioner about the recording of crimes against older people, and the work being undertaken by the NISB in respect of the Safeguarding Arrangements Governance Review.
