

## North Wales Safeguarding Adults Board

### Key Messages

From the  
Meeting held on Thursday 25<sup>th</sup> November  
2021

- NWSAB Response to Cardiff Universities Thematic Review of Adult Practice Reviews discussed. NISB, who commissioned the review, highlighted the good practice of the Board, in responding to the themes.
- Action plan in relation to a previously published Adult Practice Review was accepted by the Board as being completed.
- National Safeguarding Week highlights were presented. Board agreed that all activity during the week had been well attended and positive feedback had been received.
- Forum to be developed with Higher Education/Universities to highlight good practice in relation to safeguarding responsibilities.
- Update received from Wales Probation Service in relation to the MAPPA framework.
- Highlight reports received from all Board sub-groups highlighting progress with current work packages around the Board priorities.
