

## North Wales Safeguarding Adults Board

### Key Messages

From the  
Meeting held on Thursday 24<sup>th</sup> November  
2022

The Board received and discussed the following updates/reports:

- National Training Standards Framework. The standards were developed because there was no multi-agency, national standards for safeguarding training. The Regional Workforce Development and Training Group will be leading on this.
- Single Unified Safeguarding Review & Thematic APR Review Update. Update was presented on the status of SUSR, the public consultation delayed until January 2023. Also update regarding the actions taken by the Board in relation to the Thematic Review of Adult Practice Reviews in Wales.
- Update was received from the National Independent Safeguarding Board member in respect of the current agenda around Safeguarding Adults in Wales and the current consultation around the duty to report. Also discussed was the National Action Plan to Prevent Abuse of Older People.
- HMP Berwyn's latest inspection report was presented and the Deputy Governor attended to discuss the findings and highlight the current work going on in response to this.
