

North Wales Safeguarding Childrens Board Key Messages from the Meeting held on Thursday 1st December 2022

The Board received and discussed the following updates/ reports:

1. Reports for the following CPR's were presented to NWSCB Members for formal sign off:

- NWSCB CPR Flintshire 2021/ 1
- NWSCB CPR Wrexham 2020/1

2. MAPF Action Plan Update

Further work packages will be developed, e.g. practice guides, training and three action learning sets to take place with practitioners.

Updates on the action plan will be presented at each local delivery group area meeting.

3. National and Cross Border Safeguarding of Children linked to County Lines

The proposal is to develop practice guidance through task and finish work and engage with key stakeholders, practitioners and young people. Alignment of representatives will be required for this task and finish group to feedback through the appropriate channels.

NWSCB representatives agreed.

4. National Training Standards

National Training Standards Framework. The standards were developed because there was no multi-agency, national standards for safeguarding training. The Regional Workforce Development and Training Group will be leading on this.
