

North Wales Safeguarding Adults Board

Key Messages

From the
Meeting held on Thursday 16th February
2023

The Board received and discussed the following updates/reports:

- NWSAB1/2021 Adult Practice Review was submitted for approval. Discussion around the recommendations and themes took place and Board members approved the report. This will now be sent to WG and published in due course.
- An update was received on the priorities and work of the Older People's Commissioner for Wales, presented by Andrea Copper, OPC Safeguarding Lead. Updates were given in relation to some of the priorities identified such as the Prevention of Abuse of Older People, and research into advocacy in care homes and the abuse of older men.
- The National Independent Safeguarding Board member presented the themes and issues identified within their Annual Report and updates on their work programme.
- Other discussion took place in relation to the Single Unified Safeguarding Review, the Regional Escalating Concerns Policy and updates received from the Boards sub groups.
