

North Wales Safeguarding Board

Key Messages

From the
Joint NWSAB / NWSCB Meeting held on
Thursday 2nd May 2024 via Zoom.

The Board received and discussed the following updates/reports:

- Single Unified Safeguarding Review Update. Liane James WG attended to provide update in relation to delayed implementation date and ongoing discussions with Home Office and Ministerial Board.
- Professor Michelle McManus (Manchester University) attended to give overview of the National Multi-agency Safeguarding Performance Framework and an update on the progress currently.
- Board members received and approved reports in respect of one Child Practice Review and one Adult Practice Review.
- North Wales Police presented the findings of their most recent PEEL report for discussion.
- Discussions took place in respect of the complexities of dealing with self-neglect cases and the increase in the number of cases being dealt with.
- Board also received and discussed the sub-group highlight reports and the board's forward work plan.
